Seniors of Whitehall High School

VOLUME XXVI

Foreword . . .

We, the Class of 1945, had the opportunity of publishing The Whitehall. Through the cooperation of the entire class, we have edited a book which we hope will equal those of former years and which will serve as an incentive for future classes.

If at some future date this volume serves to recollect some cherished memory, then our efforts have not been in vain.

Dedication . . .

With earnest assurances that education in all manners and forms will play an important part in the future of our nation, we, the Class of 1945, dedicate this book to those who will promote post-war education. We have not only the unborn generations to consider in post-war education, but also the returning men and women who have so freely and unselfishly given of their time to preserve our freedom and the rights and privileges which we as a democracy are so fortunate to possess.

Superintendent's Message

BON VOYAGE!

Members of the Class of 1945:

You are the hope for a better world and a better America. You have lived in an age that has known "the blood, the sweat, and the tears," that have fought the battles to preserve and improve our American way of life. Hold high the torch of progress,—the onward way to civilization.

Sincerely yours,

CLARENCE M. GOCKLEY

Board of Education

The Class of 1945 wishes to express its appreciation to these men who regulate the funds and who contribute so unselfishly of their time to the needs of our school.

We realize that without their planning and supervision our educational system would not be successful.

They are, indeed, the backbone of our American way of life; therefore, the Class of 1945 silently salutes them.

Vice-President - Raymond M. Lazarus	Treasurer - - - - - Charles Snyder

Principal's Message

To the Graduates of 1945:

You, as members of the Class of 1945 of Whitehall High School, have now completed your high school course. As Education is a life's work, not a destination, you have reached a milestone along the road of your educational progress.

Whether you enter a college for advanced education or join the army of civilian workers, you will and must, of necessity, have an open mind towards more education which is knowledge.

I am sure I express the wish of each member of the faculty of our high school by wishing each of you God-speed in your aims toward a life of civic usefulness, Christian service, and faithful performance of your duties toward God and man.

Senior Class History

When we recall the feeling that we experienced as freshmen, we realize that our feeling at the present time differs from it very little. Then we were a bit frightened and nervous and wished that we were seniors.

Well, we are seniors now. We are graduating. The word commencement has its origin in the verb to commence—to begin. Now we know why graduation is called commencement. It is only the beginning, and we are scared.

Some of us are going to enter college; some, the armed forces, and others are about to take their places in society and begin to work.

But whatever we do or wherever we go, we know we shall never be able to forget Whitehall, and we also know that Whitehall will never forget us. Perhaps it is a bit egotistical, but we of the Class of '45 like to think that our leaving Whitehall will create an emptiness which will require a good long time to refill.

We are proud of Whitehall, and we hope Whitehall is proud of us.

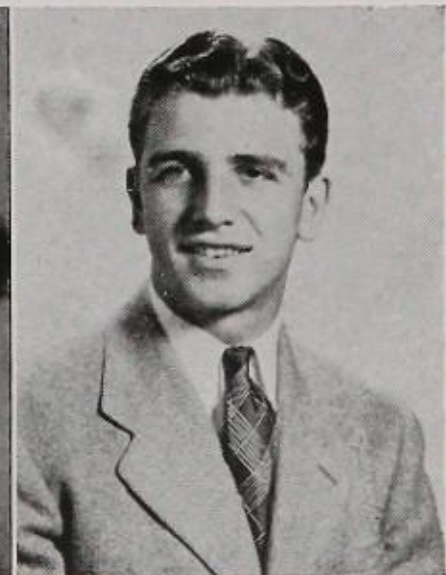

And so with a hearty thank you and a warm handshake, we take our leave of Whitehall High School.

Junior Class History

We, the juniors of Whitehall High School, fully recognize the crises hovering over the world today and the important part that education must play in meeting these crises.

Upon graduation we shall be called upon either to help win the war or else to help win the peace.

To the seniors, may we extend our most heartfelt wishes for a joyous and successful future.

To the freshmen and sophomores, may we say, "Take advantage of the many opportunities offered at Whitehall."

Sophomore Class History

In the brief period of time that we sophomores have spent in Whitehall High School, our exuberant spirits have pervaded its atmosphere. More tangible than spirit, perhaps, has been our participation in the scholastic, social, and other activities which make up high school life.

Our association with our fellow students will, in a measure, help us to learn how to get along with people later in our lives; therefore, we are aware of our responsibilities.

As we look forward to the coming years here, we find in ourselves a sincere desire to make a record of fine achievement.

Freshman Class History

The Class of '48 is successfully completing its first year at Whitehall High School.

We have gratefully accepted the opportunities offered to us and will pass them on to those who follow us. In our next three years at Whitehall, we will do our best to continue to uphold the school's good name not only in sports, but also in scholastic attainment.

We wish to congratulate the seniors for such improvements as they have been instrumental in making. The freshman class wishes you success and the best of luck in the future.

Whitehall "Hi-Lites"

Beginning in October, the Whitehall "Hi-Lites" was edited in a new and different way. As is the case with all new things, much time was needed to acquaint both the staff and its readers with a new "Hi-Lites." As a result, we have not been able to develop our new plan to its greatest extent.

We sincerely hope that our successors will achieve a goal that we had hoped to attain. That goal is to carry on, and raise Whitehall "Hi-Lites" to a level that will exceed the one of the previous year until the "Hi-Lites" has reached as great a level as can ever be attained.

The Band

The Class of '45 takes pleasure in expressing its sincere gratitude to Mr. Howells, our capable band director, who has worked faithfully and diligently with the members of the band. His untiring efforts have been responsible for its many outstanding accomplishments, and for the excellent reputation the band has earned throughout the community.

During the football season the band received many compliments when it marched and drilled on the gridiron. It has participated in several parades and has given its services at various carnivals and festivals throughout the township.

We wish to express our appreciation to the ladies of the Whitehall Band Club and our patrons for their efforts in making the Whitehall High School Band one of the most outstanding organizations in Lehigh County.

Girls' Chorus

The Girls' Chorus, under the very able direction of Mr. Howells, has reached the close of a "banner" year. It has done much to raise the prestige of Whitehall High School, not only in the township, but also in outlying districts.

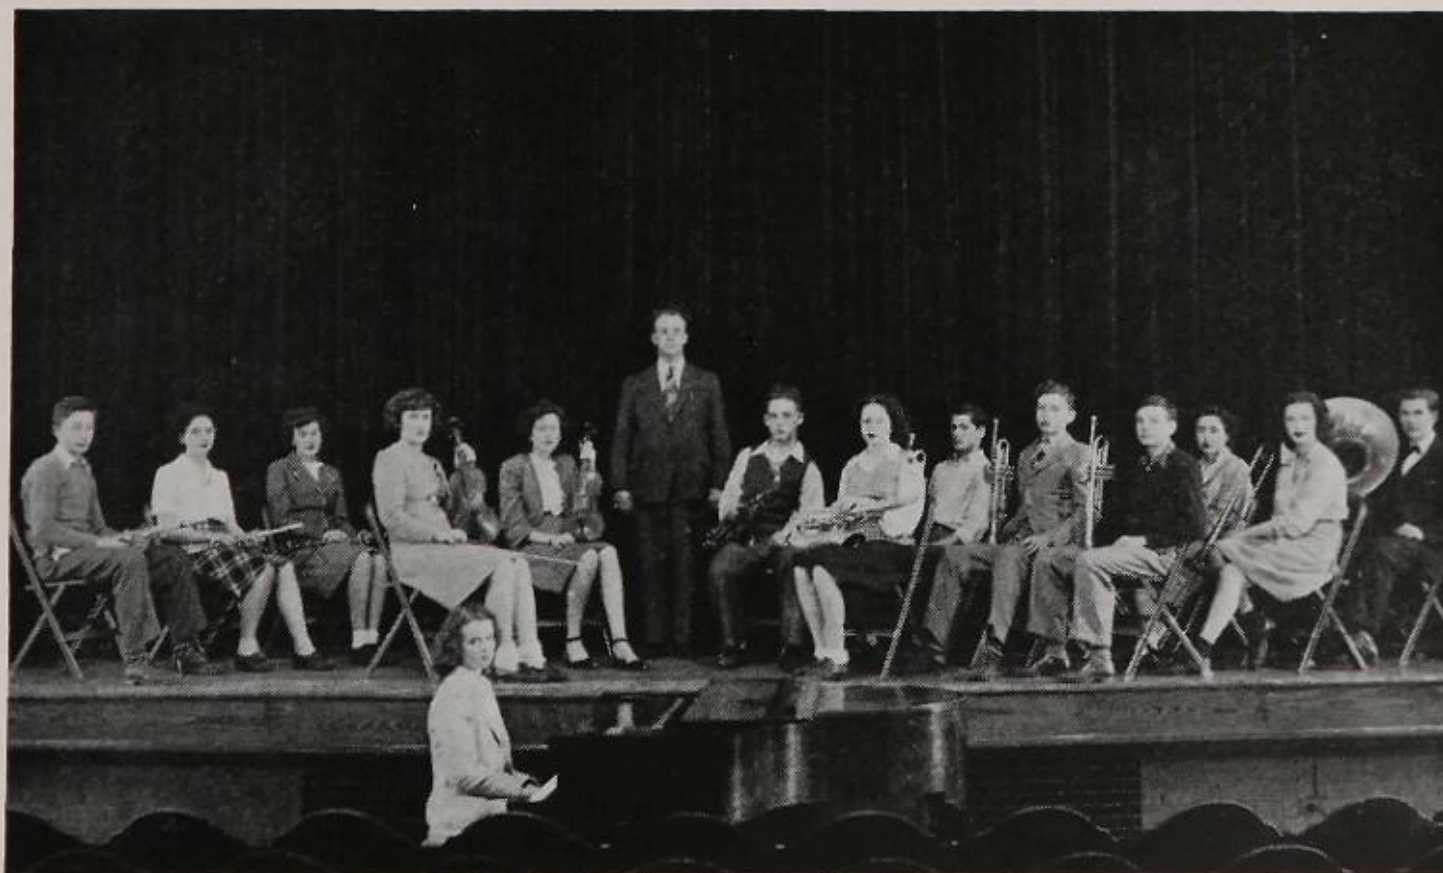

In addition to singing in numerous churches, we conducted our annual Candlelight Service both for the student body and the public and also presented the operetta, "Tune In."

We, the senior members of the chorus, hope that in future years the reputation of this organization will not only be upheld, but also be made better.

The Orchestra

The orchestra has resumed its activities after a lapse of one year. It played at the Junior Oratorical Contest and the school plays throughout the year.

American Society of Amateur Microscopists

The A. S. A. M. is Whitehall's newest club. It is our only science club and is now three years old. In those three years the club has accomplished much interesting work. This year a photomicrographic department was added to the equipment of the club.

New members who show some interest in our type of work are always warmly admitted by the present members.

National Honor Society

The Whitehall Chapter of the National Honor Society has during the past year endeavored to promote greater interest in high scholastic attainment and character development. Selected on the basis of scholarship, leadership, and character, we have contributed our utmost to maintain traditional ideals in these fields.

Being members of this society impliedly renders us willing to aid our classmates to accomplish similar objectives. As a purely honorary organization, we have strictly adhered to advancement toward higher goals.

Because the time has come for us to enter the world of work, we pass on to future members the torch, which will lighten the pathways to knowledge and continued success in accomplishing our purpose.

The Hi-Y

The Hi-Y is a Christian organization under the leadership of its sponsor, Mr. Abbott.

This year the club campaigned for new members from the freshman and sophomore classes.

There have been several bright spots in this year's activities. The club held a joint dance with the Tri-Hi-Y. There was also a night meeting at which time the new members were initiated.

Following are the officers:

George Williams	- - - - -	President
Robert Davies	- - - - -	Secretary
Richard Bateman	- - - - -	Chaplain

The Tri-Hi-Y

This year the Tri-Hi-Y has upheld its purpose as a service organization by conducting the sale of War Stamps and Bonds, sponsoring the War and Welfare Fund and the Junior Red Cross campaign.

A new feature on the club's program for this year was the establishing of a Bible fund. This fund is to continue until every home room in the high school building has been furnished with a new Bible.

The new members have participated wholeheartedly in all affairs, social and business; and we, the senior members, wish them success in all they plan to do in the future with the Tri-Hi-Y.

Debate Club

The question for discussion was—Resolved: That the voting age should be lowered to eighteen. Under the supervision of Mr. Bennick, interesting and convincing arguments were presented on both the affirmative and the negative sides of the question.

We, the members of the club, transfer to the underclassmen the responsibility of upholding the reputation of our club in inter-school debating.

Home Economics Club

Motto: "We study not for school but for life."

The Sigma Phi Club was organized in 1942 for the members of the Vocational Home Economics Department. In addition to serving as a social organization it has as its main purpose the performance of some worth while task.

This year the club demonstrated the work of the Junior Red Cross at the Allentown Fair, made stoles for the Glee Club, and sewed handbags for the Freshman Manual Training Class.

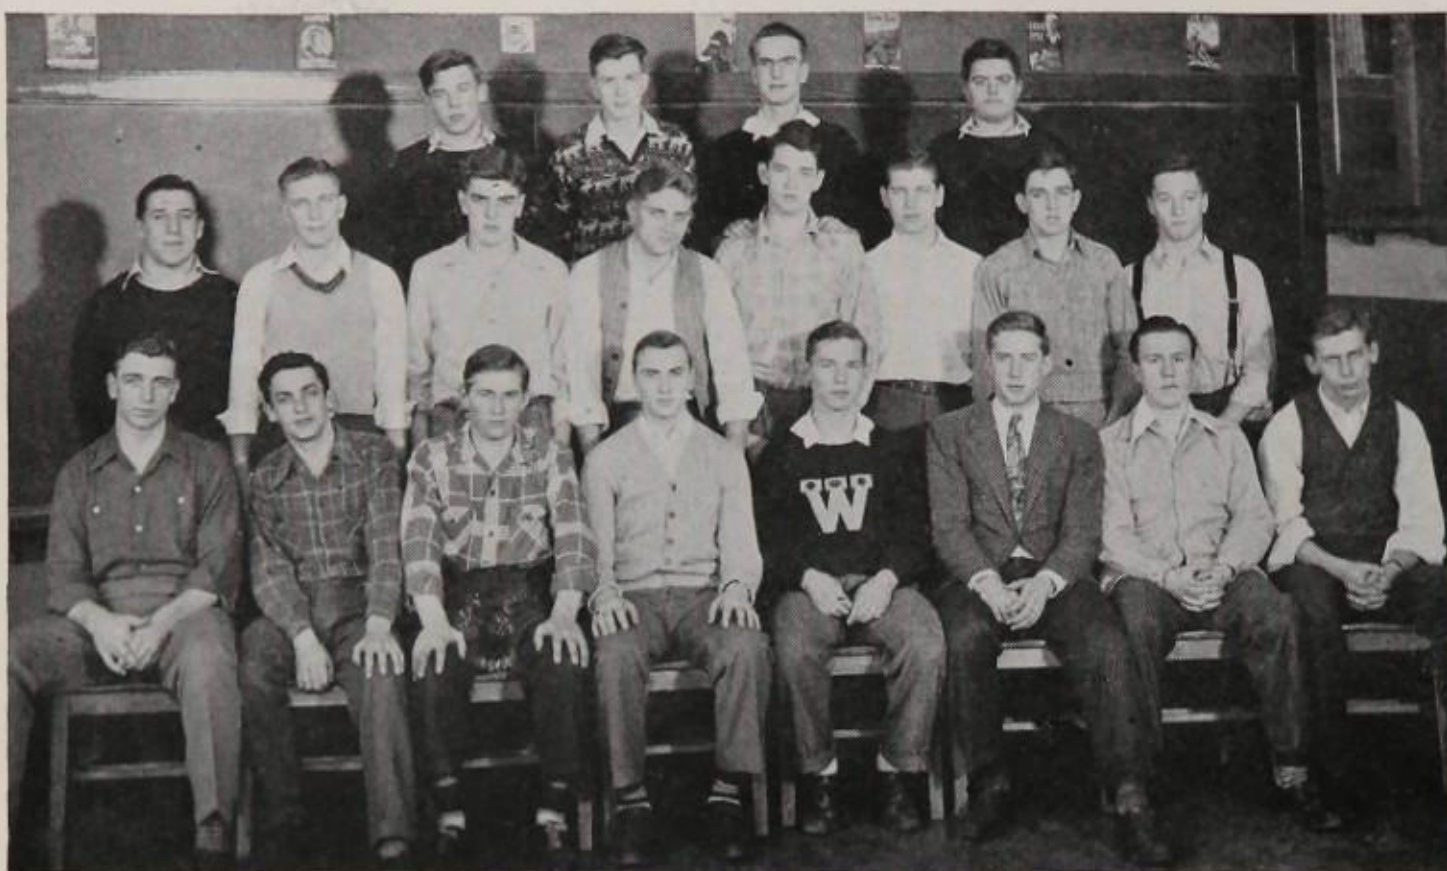

The club planned a Fashion Show in the spring.

Varsity "W" Club

This club, composed of approximately twenty members, is now in its third year at Whitehall. To become a member, a boy must earn a Varsity "W" letter after which he is initiated.

Up to mid-year the club remained inactive, but it was then reorganized by Mr. Nevins.

A few dances were held to obtain sufficient money to purchase sweaters or jackets for the seniors.

Dramatic Club

The Footlights Club, under the supervision of Mr. Wagaman, is one of Whitehall's outstanding clubs. It has provided entertainment for the students by sponsoring Lyceum programs and the annual senior class plays.

Oratorical speakers, as well as other students who meet requirements, are admitted to the club upon request.

We hope the club will be able to continue its fine work and grow to be an even greater asset to Whitehall High School in future years.

A SCENE FROM "M'LISS"

Left to right: Albert Andush, Norma Bartholomew, Margaretta Theiss, Paulette Minner, Harry Keiper, George Williams, Paul Butz, Naomi Nothstein, Joan Herman, Robert Davies.

Senior Class Plays

Our first class play, entitled "M'liss," based on the short story by Bret Harte and written into a play by Virginia Mitchel, was presented on December 1, 1944. It was strikingly different from those of previous years in that the setting centered about a poor mining village in the Sierras.

Receiving confidence only from his daughter, M'liss, "Bummer" Smith, the town loafer, is a constant target for jeering because he believes his land will one day yield great wealth. Unknown to Smith, his brother in the East has died, leaving him an immense fortune. Two schemers successfully plan to kill Smith, pose as his relatives, and claim the fortune due him. John Grey, the sweetheart of M'liss, is accused of the murder, but M'liss clears his name and cleverly outwits the schemers.

Packed with comedy and tense dramatic situations, the play thrilled a large audience.

* * *

Our second class play, a portrayal of the budding freshness of youth, was entitled "Almost Eighteen."

Eager to study for the radio, Eddie Barry learns from his father that he must earn his own tuition. To gain this end, he decides to submit an entry in an essay contest. Since one of the judges has a grudge against him, Eddie's uncle suggests he enter under his first two names. Showing an essay to his uncle, Eddie does not make it clear that it is not his own work; whereupon his uncle enters it.

When Eddie finds out that he has won first prize, not for the paper he entered, but for the one he had studied for style, he becomes ill. The fraud is discovered and revealed to the entire town.

Eddie is finally exonerated and wins first prize for his original work.

Bringing many laughs from a thrilled audience, this comedy proved quite entertaining.

We can truly say that we have concluded this year's play schedule very successfully.

Art Club

Interest in the beginning of our still immature Art Club was aroused by participation of a number of students in a poster contest on Inflation during the spring of 1944. In this contest Veronica Ondush won second prize in Lehigh County.

In the fall of 1944, there was a Safety Poster Contest in which some of our students participated. The winners of the contest were Phyllis Heiney, first prize; Veronica Ondush, first prize in one group and second prize in another group in Lehigh County.

Miss Esther Frey, our adviser, took an interest in these ambitious students and decided to organize the club. Although much material has not been available, the club has been doing very well during the past year.

The work done by the Art Club includes sketching, block printing, soap carving, and copper and scenery work.

The Art Club this year can be considered to be in its stage of development. Next year we hope to have more members and material.

Student Council

The Student Council, organized in the spring of 1944, began its activities in the fall of 1944.

The Student Council provides government of, for, and by the students of Whitehall High School.

The most outstanding accomplishment of the Student Council this year was the introduction of a new hall traffic system. We have also selected a school creed and are now planning a handbook.

We hope that the Student Council will continue to work to the advantages of the student body and make Whitehall High School a better place.

Athletic Council

The Athletic Council consists of a member of the Board of Education, the superintendent, the principal of the high school, the faculty manager, the coaches, and three members of the faculty. It is the duty of this council to meet at various times during the year to discuss, plan, and direct athletic activities.

The Athletic Council also sets up standards of achievement for letters and attends to all details relating to athletic awards. The coaches of the teams submit recommendations for various awards to the council for approval.

Whitehall Band Club

The Whitehall Band Club, which was organized in nineteen hundred forty, has proved to be an aid to our school. As a result of its efforts it was able to raise enough money to purchase uniforms and instruments when they were most needed.

To the standing officers of the club: President, Mrs. Martha Snyder; Vice-President, Mrs. Pauline Wagaman; Recording Secretary, Mrs. Blanche Scheirer; Assistant Secretary, Mrs. Helen Kotsch; Treasurer, Mrs. Anna Steckel; Financial Secretary, Miss Edna Danner; Chaplain, Mrs. Annie Wright; and to all active members we are sincerely grateful, and we hope that they will continue their good work.

Football Season

This year's team, under the fine coaching of Mr. William Piff, has established one of the best records ever to be compiled on the gridiron. We won 6 games, lost 1, and tied 2.

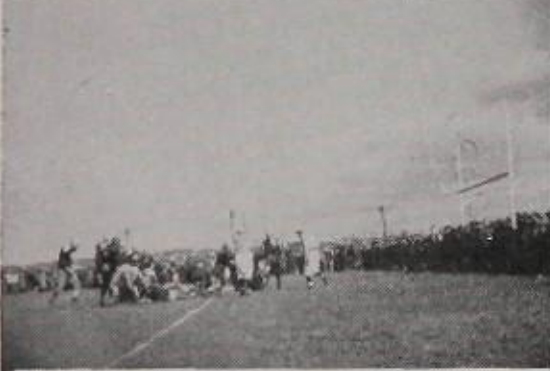

Showing a great improvement in blocking, the team played good, clean football.

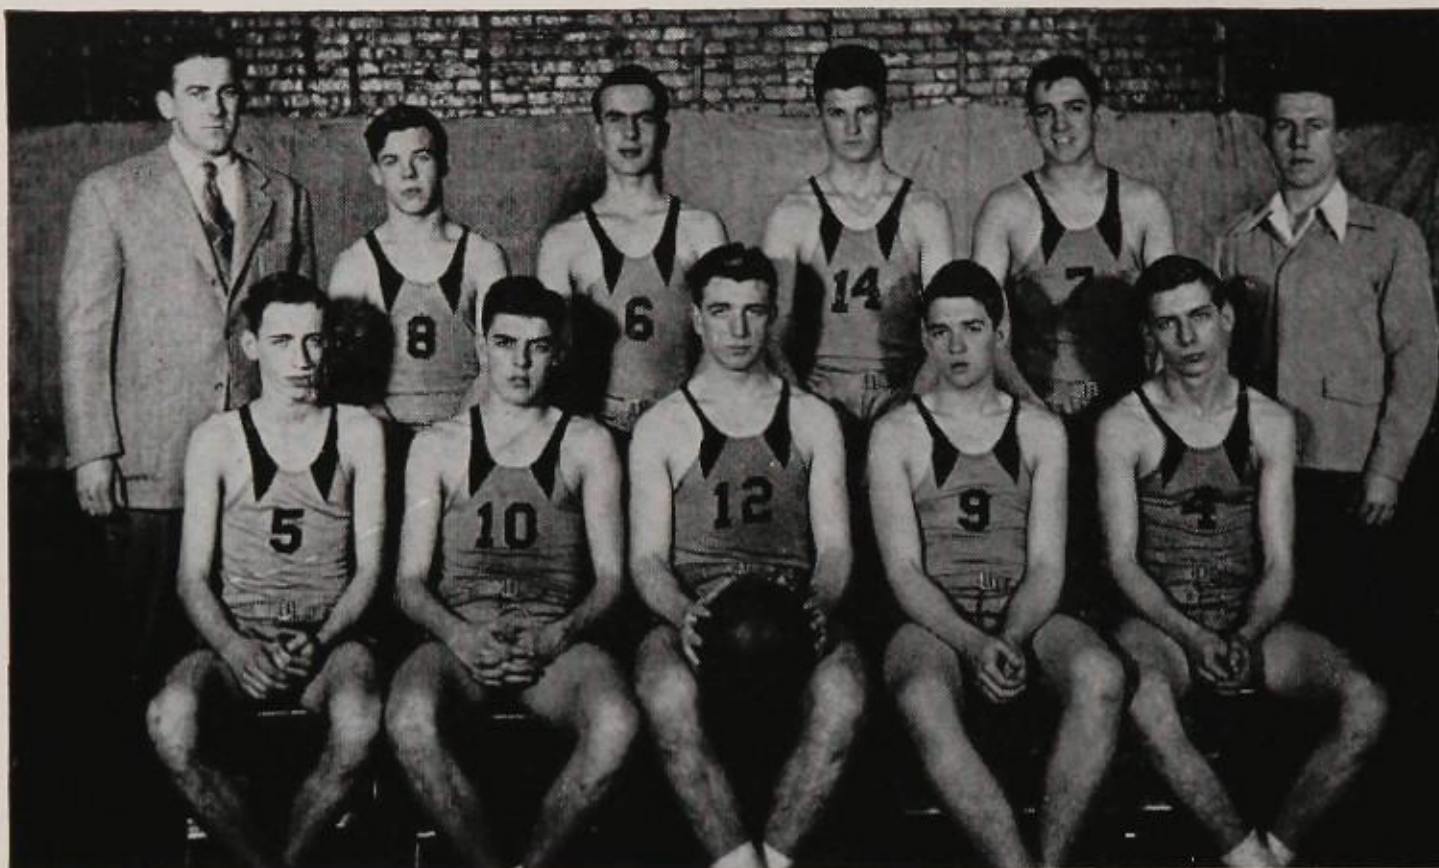

Next year's team will miss the following seniors: Mel Masonheimer, Dick Loch, Frank Moritz, Joe Gebhard, Dan Danko, Dale Bartholomew, Allen Dangler, Harold Walck, and Bill Warke and Managers George Williams and Dick Bateman.

Three of these boys—Dale Bartholomew, Dick Loch, and Bill Warke—were selected for the Lehigh Valley All-Star Team. The latter was also high-scorer in the League.

Varsity Basketball

Coach William Piff organized a fine basketball team that was determined to battle all the way. Although we did not win a championship, the boys proved themselves good opponents.

The seniors leaving this year are Harakal, Gebhard, and Warke. We are confident that they will be ably replaced by other players coming up for their chances from the Jay Vees who will be joined by underclassmen from the Varsity, thus forming a nucleus for another fine team for next year.

Baseball Season

Through peace and war, Whitehall has maintained a high standard in baseball. It has again been represented by a strong aggregation this season, the chief reason for which is the sound coaching policy of "Bud" Nevins, a player of considerable experience, who has the knack for organizing fine teams.

Coach Nevins had another strong team this season with many experienced ball players back from last season. These included Bill Warke, Dick Loch, and Andy Harakal, who played their last season for us, along with Curtis Simmons, Willy Toole, Fred Kimock, Ernie Wescoe, Ben Sherman, Bill Eckensberger, and George Tomasic. New men included George Harakal, Wayne Dech, Joe Matika, and Bob Warke.

Gymnastic Teams

Once again, as in previous years, the girls' gym team planned entertainment for the eleventh annual gym exhibition.

A group of approximately fifty girls, under the direction of Miss McGonigle, put forth their efforts on calisthenics, marching, dancing, and tumbling.

We are sure everyone enjoyed a pleasant evening at the annual exhibition.

This year the boys' gym team was composed of a large group of energetic boys. Having worked faithfully during the past year, the boys have accomplished many feats. Together with the girls' gym team, they put forth their best efforts to bring to the public the annual gym exhibition.

The work done by these boys included various types of tumbling, parallel bar feats, and pyramids. They have always proved themselves quite capable, and we hope they will continue in the same respect.

Our Cheerleaders

There will always be the cheers and shouts of the faithful fans of Whitehall High School, and there will always be the capable cheerleaders to lead them on in the proper spirit. Our cheerleaders are always lively and willing to cheer in time of defeat. They have added much to the football and basketball seasons this year as they have also done before. This year, however, we are losing four varsity cheerleaders, but we know that our underclassmen will carry on. The Class of 1945 wishes them lots of luck.

Junior Oratorical Contest

The annual Junior Oratorical Contest was held in our high school auditorium on April 19, 1945. The contest, one of the outstanding affairs of the school year, was well attended by the parents and friends of the contestants.

3. Only seven more months of school. Oh, boy.
4. Election of home room officers.
5. Assembly slightly different. Mr. Howells had everybody acting like donkeys.
6. Senior girls swoon at pep meeting. Boys don't have a chance with Coach Piff around.
9. Miss McGonigle insists we have gym outside. Rain won't hurt us.
10. Section 12-3 is very drowsy in shorthand class. Just concluded Macbeth the period before.

11. Students agree with Mr. Edwin Steckel that "Music is Fun," first Lyceum program.
12. Seniors celebrate Columbus Day with a P.D. test.
13. Friday the 13th, and we had a chemistry test. Oh, woe is me.
16. Big dividends! Alice Marzinsky and Rosemary Kupsky spend 8 hours calculating magazine campaign returns.
17. Betty Stoudt, a senior, was married today.
18. Place: Chemistry class.
Mr. Abbott: Where do we get H₂O?
Naomi: Well—
19. According to a N.H.S. member, a tonsorial parlor is a place where you get your tonsils taken out.
20. We all took french leave to see "Wilson."
23. This will turn out to be very sweet. Eight bees discovered in the auditorium. Ha! Ha!
24. R. Oswald, that handsome sailor, visited the girls' health class today. Could it be because of Marion Peters?
25. As a result of a handwriting analysis we learned that George Williams is bashful. Oh! brother!
26. Whitehall Hi-Lites made its debut as a one-page edition.
30. How odd! Mr. Wagaman informs us that English is a book to be chewed and digested.
31. Whitehall is host to visiting superintendents of schools from Lehigh, Northampton, and Carbon Counties.

NOVEMBER

1. 108 absent today. Hunting season opened.
3. Mr. Wagaman's corny jokes are beginning to pop.

13. Well, here we are in school again. We didn't have off.

27. "Why can't seniors do their solid geometry on Monday?" was Mr. Grammes' question.
Reply: When can they do it?
28. A. M. and R. K. quarrel so often that this morning A. M. had to ask R. K. if she was angry with her before starting a conversation.
29. According to L. Kupsky a man is old with age.
30. Why were 31 chemistry students in study hall today? We know, don't we?

DECEMBER

1. Senior class play, "M'liss," presented.
4. Mr. Snyder bears that unusually peculiar look—just washed his hair.
5. Erma Laubach makes her debut on the stage during a study period as a penalty for talking.
6. Twelve more school days until Christmas vacation.
7. According to Joyce Frey, one way to remove a President from office besides impeachment is to assassinate him.
8. Frank Moritz and Bob Davies went deer hunting. We wonder if it wasn't two-legged deer they were looking for.
11. Here's some core-n: Rosemary Kupsky's aim sends an apple core onto the stage instead of into the wastebasket. George Williams yells, "Encore."
12. Harold Walck certainly must have been a cute baby according to his baby picture, and frankly he still is.
13. We are indeed thankful that Miss Gilbert knows her shorthand lesson daily.
14. Mrs. Beidleman, after thoughtful consideration, wonders if "Ace" Harakal is "all there."
15. David Mack was caught running in the halls today. No, he isn't trying to reduce. He was merely trying to get to chemistry class on time.

18. Seniors can't act dignified when they have things like mumps to contend with. How about it Gladys?
19. Seniors still bewildered. What can those magicians do with those pigeons?

To an intelligent junior—the valedictory.

To our Alma Mater—another class as versatile as the Class of '45.

To the football team—a victorious year with more players like Bill Warke.

To whom it may concern—our initiative, influence, intelligence, etc.

To Miss McGonigle—an energetic gym team.

To the student body—more cooperative school spirit.
